

1. Use real or play money.
2. Count it first to see how much there is, especially when using real money!
3. Then count it after too, it's good practice for the kids!

Money Trading!

Rules

1. Each player throws 2 dice, adds up the total, and gets money equal to the sum.
2. Trade UP for higher coins at the **end** of each turn.
3. If you throw doubles, you get another turn.
4. First person to reach \$1.00 wins.

1 Dollar \$1.00	Fifty Cents 50 ¢	Quarters 25 ¢	Dimes 10 ¢	Nickels 5 ¢	Pennies 1 ¢
